Dr. Earl Suttle
Leadership Success International, LLC

Dear Dr. Earl,

Just wanted to say “thank you” for your outstanding presentation to our staff last week. You certainly made an impression on everyone, and the positive vibes you created will last with our staff for many many days, months, and years. You knocked it out of the park!

Take care, good luck in the future, and am sure we’ll be seeing you in the future.

Sincerely,

Greg McGarity
Director of Athletics
University of Georgia Athletic Association
