Dear Dr. Suttle:

On behalf of the South Carolina Association of Community Action Partnerships (SCACAP), we would like to thank you for your participation in presenting the Workshop entitled Board Efficiency & Leadership, Part 1 & 2. Because of your presentation at our 2011 Fourth Annual Statewide Board Training and Retreat held on November 17-19, 2011 at the Wild Dunes Charleston's Island Resort, 5757 Palm Boulevard, Isle of Palms, South Carolina, it was a great success. We hope that you experienced a pleasurable stay at the Wild Dunes Resort.

This event brought together Board, Policy Council Chairs, Executive Directors, and Key Management Staff from various agencies. Based on the closing surveys, many of the attendees were extremely pleased with the retreat. The reviews proved that your training workshops which were offered provided compelling and comprehensive insight into enhancing board knowledge, skills, and accountability.

SCACAP looks forward to a continued mutually rewarding partnership in our efforts to develop statewide training to enhance the knowledge, skills, and accountability of the governing body and key management staff of the Community Action and Head Start Networks one person at a time.

For your utmost respect and cooperation, we remain.

Sincerely,

Jessica McMoore
Executive Director
