Dr. Earl Suttle,

I would like to take this opportunity to thank you on behalf of Tallatoona CAP, Inc. for the inspiring and motivational speech you presented on August 1, 2019. It was obvious that you are extremely knowledgeable in your field, and can link this knowledge up to a great presenting style. From what I observed on that day, you captivated everyone that was present and they really enjoyed it.

The 20 Point Wellness and Growth Plan and Earl's Pearls 5 A's to Success was absolutely motivating and inspirational to me as a Head Start/Early Head Start Director. These topics gave me information and tools that I can use while working with my staff. The information and tools are also helpful in everyday life situations.

I would recommend your services to anyone that inquires about you, and I hope that we can invite you back to any future events and/or training's that our agency might have. Once again, thank you very much for your services.

Sincerely,

A handwritten signature in black ink that reads "Donnis Pace". The signature is written in a cursive style with a large, prominent "D" and "P".
