Testimonial:

I first heard Dr. Earl at the Regional Head Start MEGA Conference (Fort Lauderdale) in February of 2018. As the Keynote Speaker, he left such a powerful impression on me that I thought, "I have got to get him to come to my program!" Six (6) months later, he was the Keynote Speaker at my Lutheran Services Florida Duval Head Start/Early Head Start Pre-Service Training; speaking to my 350 staff and Child Care Partners; our greatest resource! Dr. Earl's interactive, enthusiastic session empowered Team Duval to Strive for Greatness, and that we did! That Program Year, our program received National Recognition with a New York Times – Front Page Article and an interview on NBC Nightly News with Lester Holt. It was easy to refer Dr. Earl to other Early Head Start Programs aspiring for Leadership, Success and developing their people.

Thank You Dr. Earl!
