Dr. Earl Suttle, Chairman/CEO
Leadership Success International, LLC

Dear Dr. Suttle:

On behalf of the South Carolina Community Action Partnership (SCCAP) and South Carolina State Head Start Association (SCSHSA), we would like to thank you for your support in making the 2020 Statewide Virtual Mid-Fall Training Conference held on November 30 – December 4, 2020, via ZOOM a great success.

Your workshops on **How to Reach Your True Potential and Nurturing and Retaining Your Talent** were informative and very much appreciated. We were delighted by the incredible responses to the overall evaluation surveys. The surveys suggested that the conference provided excellent information and training to the attendees.

Thank you again for your support of our cause. We look forward to a continued mutually rewarding partnership in our efforts to coordinate statewide training to enhance service delivery to improve the lives of the low-income population in our State and local communities, one individual at a time.

In the spirit of partnerships, we remain.

Sincerely,

Jessica McMoore
