Dr. Earl Suttle,

I just wanted to thank you for your presentation at our Pre-Service on August 1, 2019. I really enjoyed it! I not only enjoyed it, but our staff enjoyed. It was so motivating that I took notes and shared them with friends. The things that you shared not only applied to the workforce, but to everyday life. Your presentation has changed my mindset, and I am going after those things that I have been putting on hold.

I hope that you will be a part of our Pre-Service next year, and I will definitely recommend you to others who may be looking for a motivational speaker. And again, thank you so much for your service.

Best regards,

Sonya L. Smith
