Let Me Make a Difference In Your Organization

Dr. Suttle's specialty is working with businesses and organizations on increasing profit and productivity through development of their most important resource: their people.

"Your message was clear, inspiring, applicable and entertaining. You captivated the group every time you spoke, and not only helped us in our professional lives, but also gave us wisdom for our personal outlook as well."

—**Sandy Gordon**, Delta Air Lines

As a motivational keynote speaker, Dr. Suttle delivers numerous impactful presentations throughout the year in the United States and South Africa.

"Enjoying Excellence was energetic and the message was powerful. We enjoyed the fact that you interact and get the audience involved. You cannot help but to come away inspired and motivated."

—**Velva McKee**, Associated Credit Union

His Life Skills presentations are perfect for break-out sessions for corporate gatherings of all kinds, training seminars and sales conferences.

"This event brought together Board, Policy Council Chairs, Executive Directors, and Key Management Staff from various agencies. Based on the closing surveys, many of the attendees were extremely pleased with the retreat. The reviews proved that your training workshops ... provided compelling and comprehensive insight into enhancing board knowledge, skills, and accountability."

—**Jessica McMoore**, Executive Director, SCACAP

Dr. Suttle brings twenty five years of healthcare experience with him to his specialized presentations for hospitals and medical-related industries.

"Thank you very much for your participation in the Oregon Health Care Association Spring Expo Conference... we received many positive comments and the evaluations affirmed the overall satisfaction of the participants."

"He was a terrific motivator." "Very good choice for a keynote speaker."

"Very interactive. Great way to start the day."

"I didn't expect to be engaged — I was pleasantly surprised!"

"I love how he engaged the audience and made it very interactive."

"Love his energy." "He is awesome; energetic all the way."

—**Melodie King**, CMP, Director of Education, Oregon Health Care Association
